GRADUATION REQUIREMENTS

Directions: As an entering student in the Criminal Justice M.S. Distance Learning Program, you are about to make an important investment of your time, effort, and financial resources. We wish to make clear three requirements that must be met for a student to receive his or her M.S. degree: the need to maintain a GPA of 3.0 or higher, the need to take the GRE within six months of entering the program, and the need to read the UC Graduate Handbook and follow all University policies.

To ensure that these requirements are understood by all entering students, we now require that each student read the information below, sign this form, and return the form to us. We appreciate your attention to this information and your cooperation in completing this form.

By signing this form, I understand that:

- I must maintain a minimum Grade Point Average (GPA) of 3.0 in order to be eligible for graduation. I understand that this is a requirement of the University of Cincinnati. The failure to maintain a GPA of 3.0 or higher will preclude a student from receiving his or her degree in Criminal Justice from the University of Cincinnati.

- I must take the Graduate Record Examination (GRE) within six months of beginning the program. A failure to do so could lead to dismissal from the program and will preclude a student from receiving his or her M.S. degree in Criminal Justice.

- I am responsible for reading the University of Cincinnati Graduate Handbook and for following all University policies.
